Jury Has Indicted Mayor and Is Hot After Several Other City Officials.

UBBLO, April 23.—Mayor B. B. Brown was indicted by the grand jury this afternoon on four counts, three charging false pretenses one alleging forgery. All the cases grow out of pay-rolls in the departments. Alderman Thomas of the Fifth ward was arrested twenty-three indictments charging pretenses in the same connection. A list of fifty-two true bills was returned to Judge Vorhees in the District court this afternoon, but the names have not yet been made public, because the Sheriff has not appended the accused. The investigation has been in progress more than a year by a special grand jury, at the request of the taxpayers of the city. Mayor Brown is a Republican and Alderman Flynn a Democrat.
